To Whom It May Concern,

Raen Mathuin is my nephew who carries my husband's Cheyenne name, Bear Stands Last. My husband is Don Shoulderblade, who is the one who spoke on behalf the Bear to the Northern Cheyenne Tribal Council and received the support document in favor of the Bear. Raen is related through my mother, Grace Strange Owl. I cannot give more details as for enrollment information as it is very confidential. I am stating that Raen is a Cheyenne and a family member. No one has the right to judge who is Cheyenne or not.
